

Welcome to the Going Green range at Provender Nurseries. A range of products that are either organic, wildlife friendly, child and pet friendly or have natural ingredients as their main components.

Category	Name	SKU	Size	Description
Compost	Peat Free Compost - Melcourt	5060157810063	50L	100% peat free with added plant nutrients.
Compost	Peat Free Ericaceous Compost	5031639888641	50L	For use with ericaceous plants. Enriched with seaweed fertiliser.
Fencing and Screening	Plantbox Living Wall	1811030454560	600mm x 200mm	Made from 100% recycled plastic. Vertical planting system.
Fertilisers	6X Fibrous Natural Fertiliser	5012351051322	15kg	Highly concentrated traditional 100% natural Chicken Fertiliser.
Fertilisers	6X Pelleted Chicken Fertiliser	5018764000209	8kg	A 100% natural organic fertiliser. Six times richer than farmyard manure.
Fertilisers	6X Pelleted Chicken Fertiliser	5018764000100	20kg	A 100% natural organic fertiliser. Six times richer than farmyard manure.
Fertilisers	After Plant Ericaceous Plant Food + Rootgrow	5060160320719	1kg	Designed for use after planting. For Ericaceous plants.
Fertilisers	After Plant Ericaceous Plant Food + Rootgrow	5060160320962	10kg	Designed for use after planting. For Ericaceous plants.
Fertilisers	After Plant Evergreen Plant Food + Rootgrow	5060160320450	1kg	Designed for use after planting. For Evergreen plants.
Fertilisers	After Plant Evergreen Plant Food + Rootgrow	5060160320948	2.5kg	Designed for use after planting. For Evergreen plants
Fertilisers	After Plant Evergreen Plant Food + Rootgrow	5060160320559	5kg	Designed for use after planting. For Evergreen plants.
Fertilisers	After Plant Evergreen Plant Food + Rootgrow	5060160320566	10kg	Designed for use after planting. For Evergreen plants.
Fertilisers	After Plant Tree and Shrub Plant Food + Rootgrow	5060160320702	1kg	Designed for use after planting. For Trees and Shrubs
Fertilisers	After Plant Tree and Shrub Plant Food + Rootgrow	5060160320825	5kg	Designed for use after planting. For Trees and Shrubs.
Fertilisers	After Plant Tree and Shrub Plant Food + Rootgrow	5060160320832	10kg	Designed for use after planting. For Trees and Shrubs.

Fertilisers	Blood Fish & Bone Fertiliser	5011045074395	10kg	Organic fertiliser. Promotes strong growth, healthy root & shoot growth.
Fertilisers	Blood Fish & Bone Fertiliser	10040	25kg	Organic fertiliser. Promotes strong growth, healthy root & shoot growth.
Fertilisers	Blood Fish & Bone Fertiliser - Vitax	5012351057126	5kg	Organic fertiliser. Promotes strong growth, healthy root & shoot growth.
Fertilisers	Bonemeal Fertiliser	100041	25kg	Organic slow release fertiliser encouraging healthy root growth.
Fertilisers	Bonemeal Fertiliser	5023377846038	10kg	Organic slow release fertiliser encouraging healthy root growth.
Fertilisers	Bonemeal Fertiliser - Vitax	5012351056211	5kg	Organic slow release fertiliser encouraging healthy root growth.
Fertilisers	Bulb Starter Empathy + Rootgrow	5060160320399	500g	Promotes a strong healthy root system for improved flowering
Fertilisers	Dried Blood Fertiliser	5012351059120	0.9kg pouch	Organic fertiliser. Easily soluble and fast acting.
Fertilisers	Ericaceous Plant Food - Vitax	5012351120103	0.9kg pouch	Organic based with added iron. Use on all acid loving plants
Fertilisers	Fast Grow Seaweed Plant Fertiliser	103035020	10kg	Organic soil and plant conditioner. Increases microbial activity.
Fertilisers	Magnesium Sulphate (Epsom Salts) – Elliotts	10044	25kg	A fast acting cure for leaf yellowing.
Fertilisers	Maxicrop Calcified Seaweed	5013762000954	2kg	Soil Association approved for organic growing.
Fertilisers	Maxicrop Mosskiller & Lawn Tonic	5013762000114	500ml	Contains seaweed extract & tonic. Added Ferrous Sulphate kills moss.
Fertilisers	Maxicrop Mosskiller & Lawn Tonic	5013762000121	1L	Contains seaweed extract & tonic. Added Ferrous Sulphate kills moss.
Fertilisers	Maxicrop Mosskiller & Lawn Tonic	5013762000152	2.5L	Contains seaweed extract & tonic. Added Ferrous Sulphate kills moss.
Fertilisers	Maxicrop Mosskiller & Lawn Tonic	90358	10L	Contains seaweed extract & tonic. Added Ferrous Sulphate kills moss
Fertilisers	Maxicrop Organic Lawn Natural Fertiliser	5013762000503	1L	Contains seaweed extract as natural fertiliser.
Fertilisers	Maxicrop Original Natural Feed - Seaweed based	5013762000022	500ml	Soil Association approved for organic growing.
Fertilisers	Maxicrop Original Natural Feed - Seaweed based	5013762000039	1L	Soil Association approved for organic growing.
Fertilisers	Maxicrop Original Natural Feed - Seaweed based	5013762000053	2.5L	Soil Association approved for organic growing.

Fertilisers	Maxicrop Original Natural Feed - Seaweed based	20061197	10L	Soil Association approved for organic growing.
Fertilisers	Maxicrop Plus Sequestered Iron	90357	10L	Maxicrop Seaweed Extract base plus 2% iron fertiliser.
Fertilisers	Maxicrop Plus Sequestered Iron	5013762000183	1L	Maxicrop Seaweed Extract base plus 2% iron fertiliser.
Fertilisers	Maxicrop Plus Sequestered Iron	5013762000176	500ml	Maxicrop Seaweed Extract base plus 2% iron fertiliser.
Fertilisers	Maxicrop Seaweed Meal	5013762000909	2kg	Fertiliser, tonic and conditioner to increase yeild and disease resistance
Fertilisers	Maxicrop Tomato Fertiliser	5013762000244	1L	Organic fertiliser. Increases yield and disease resistance.
Fertilisers	Maxicrop Tomato Fertiliser	90360	10L	Organic fertiliser. Increases yield and disease resistance.
Fertilisers	Miracle-Gro Organic All Purpose Granular Food	5010272189018	1kg	Organic granular plant food.
Fertilisers	Miracle-Gro Organic All Purpose Granular Food	5010272189032	2kg	Organic granular plant food.
Fertilisers	Miracle-Gro Organic Fruit & Veg Granular Food	1811030499646	1kg	For general plants that require high amounts of fertiliser.
Fertilisers	Miracle-Gro Organic Lawn Food	5010272189124	9.1kg / 360m2	Organic lawn feed. Child and pet friendly.
Fertilisers	MO Bacter Lawn Fertiliser	5410750006330	4kg	An organic fertiliser with added bacteria that acts as a moss killer.
Fertilisers	MO Bacter Lawn Fertiliser	5410750052085	20kg	An organic fertiliser with added bacteria that acts as a moss killer.
Fertilisers	MO Bacter Lawn Fertiliser	5410750062107	10kg	An organic fertiliser with added bacteria that acts as a moss killer.
Fertilisers	MO Bacter Recovery	5410750003964	4kg	Organic fertiliser for damaged lawns. Safe for children and pets.
Fertilisers	MO Bacter Recovery	5410750053686	20kg	Organic fertiliser for damaged lawns. Safe for children and pets.
Fertilisers	MO Bacter Recovery	5410750053426	10kg	Organic fertiliser for damaged lawns. Safe for children and pets.
Fertilisers	Organic Chicken Manure	5013655012057	1.8kg	Organic pelleted fertiliser for use all round the garden.
Fertilisers	Organic Chicken Manure	5013655011005	3kg	Organic pelleted fertiliser for use all round the garden.
Fertilisers	Organic Multipurpose Plant Feed - Neurdorff	4005240136072	1L **Conc	Derived from organic materials. Enhances plant growth.
Fertilisers	Organic Rose Feed	5012351091021	1L	Derived from organic materials. Enhances plant growth.

Fertilisers	Organic Rose Feed	5012351091021	0.9kg pouch	Derived from organic materials. Enhances plant growth.
Fertilisers	Safelawn – Westland	5023377003363	400m2	100% organic. Prevents moss and weeds. Child and Pet friendly
Fertilisers	Safelawn – Westland	5023377003349	80m2	100% organic. Prevents moss and weeds. Child and Pet friendly
Fertilisers	Sulphate of Ammonia	5012351063202	1.25kg	An organic, quick acting fertiliser that will encourage leafy growth.
Fertilisers	Sulphate of Ammonia – Elliots	10054	25kg	An organic, quick acting fertiliser that will encourage leafy growth.
Fertilisers	Sulphate of Iron	5012351065152	1kg	Use as a turf fertiliser and for control of moss.
Fertilisers	Sulphate of Iron - Elliots	10055	25kg	Use as a turf fertiliser and for control of moss.
Fertilisers	Sulphate of Iron – Vitax	5012351065169	5kg	Use as a turf fertiliser and for control of moss.
Fertilisers	Sulphate of Potash	5012351062205	1.25kg	Fast acting *inorganic fertiliser for healthy fruit and flowers.
Fertilisers	Sulphate of Potash - Vitax	5012351062427	5kg	Fast acting *inorganic fertiliser for healthy fruit and flowers.
Fertilisers	Sulphate of Potash – Elliots	10056	25kg	Fast acting *inorganic fertiliser for healthy fruit and flowers.
Fertilisers	Superphosphate	5012351064605	1.25kg	An *inorganic fertiliser for strong and healthy root development.
Fertilisers	Superphosphate - Elliots	10053	25kg	An inorganic fertiliser for strong and healthy root development.
Fertilisers	Soluble Rootgrow Mycorrhizal Fungi - Vitax Q4	5012351051025	5 x 10g Sachets	Helps create a healthy root zone.
Bark	Bark Composted 0-8mm Melcourt	5060157810049	50L bags	A fine grade composted bark. Increases organic content.
Bark	Bark Composted 0-8mm	10555	Bulk Bag	A fine grade composted bark. Increases organic content.
Cleaning Products	Algon Organic Algicide	5060028700011	2.5L	For use as a moss killer on most hard surfaces outdoors.
Cleaning Products	Algon Organic Algicide	5060028700028	20L	For use as a moss killer on most hard surfaces outdoors.
Compost	Provender Vegetable Soil	1811030206015	Bulk Bag	Designed especially for use in raised beds.
Flower & Veg Seeds	Mini Meadow Wild Flower Seed	5060160320375	10m2	The ideal way to create habitat for pollinating insects.
Flower & Veg Seeds	Mini Meadow Wild Flower Seed	5060160320160	3m2	The ideal way to create habitat for pollinating insects.

Flower & Veg Seeds	Pro Flora 1 Wild Flower Cornfield Annuals Mix	13153	1kg	A natural self seeding wildflower mixture. UK Sourced seed.
Flower & Veg Seeds	Pro Flora 11 Wild Flower Heavy Shade Mix	13188	1kg	A natural self seeding wildflower mixture. UK Sourced seed.
Flower & Veg Seeds	Pro Flora 12 Wild Flower Pond Edge Mix	13189	1kg	A natural self seeding wildflower mixture. UK Sourced seed.
Flower & Veg Seeds	Pro Flora 2 Wild Flower Acid Soils Mix	2100000001618	1kg	A natural self seeding wildflower mixture. UK Sourced seed.
Flower & Veg Seeds	Pro Flora 4 Calcareous Soils Mix	103030007	1kg	A natural self seeding wildflower mixture. UK Sourced seed.
Flower & Veg Seeds	Pro Flora 7 Wild Flower 7 Light Shade Mix	13154	1kg	A natural self seeding wildflower mixture. UK Sourced seed.
Flower & Veg Seeds	Pro Flora 8 Wild Flower Country Meadow Mix	13155	1kg	A natural self seeding wildflower mixture. UK Sourced seed.
Flower & Veg Seeds	Pro Flora 9 Wild Flower Heritage Mix	13156	1kg	A natural self seeding wildflower mixture. UK Sourced seed.
Fungicides	Copper Mixture	5012042251772	175g	A mixture of three trace elements, Copper, Manganese, and Zinc.
Home & Garden	Arbrex Seal & Heal	5000371050753	300g	Seals and heals pruning cuts. Suitable for organic gardening
Home & Garden	Barley Straw Bag	5019226000973	Bags	Totally biodegradable, harmless to fish, plants and wildlife.
Home & Garden	Barley Straw Bale	5015368054652	Medium	Used to clear water. Harmless to fish, plants and wildlife.
Home & Garden	Barley Straw Bale	5015368054669	Large	Used to clear water. Harmless to fish, plants and wildlife.
Home & Garden	Maxicrop Pruning Balm	5013762000374	250ml	Use after pruning.
Home & Garden	Organic Rooting Gel	5012042251789	150ml	Allows the wound to breathe and aids the natural healing process.
Home & Garden	Rooting Powder Natural	5013655003550	75g	Use on all types of cuttings to increase root formation.
Home & Garden	Rooting Powder Organic	50928446	50g	The ideal way to start rooting cuttings.
Home & Garden	Tenax Wax - Vitax	5012042602000	200g	Use for the treatment of pruning cuts and wounds.
Home & Garden	Yellow Sulphur	5012042232252	225g	Use as a soil acidifier.
Insecticides	Bug & Mildew Control, Natural – Resolva	5023377003639	1L ***RTU	Pests can't develop resistance to this safe, effective formulation.
Natural P & D Control	Ant Killer Granules	4005240136232	500g	Use in the garden as granules also water soluble.

Natural P & D Control	Apple Moth Trap - Reuseable	5012042010430	Trap	Pheromone scent of the female moth attracts and catches male moths.
Natural P & D Control	Apple Moth Refill	5012042010447	Refill	Refill for Apple Moth Trap.
Natural P & D Control	Boltac Greasebands	103035046	Pack	Glue bands protect against winter moths. Pesticide free.
Natural P & D Control	Box Tree Moth Trap - Reuseable	5000371055505	Trap	Biological control of Box Tree Moth. Effective over 180 square metres.
Natural P & D Control	Box Tree Moth Trap Refill	5060512740967	Refill	Refill for Box Tree Moth Trap
Natural P & D Control	Bugfree Bug & Larvae Killer	4005240136157	250ml **Conc	Use in the garden against a wide range of sucking and biting insects.
Natural P & D Control	Bugfree Bug & Larvae Killer	4005240136140	750ml ***RTU	Use in the garden against a wide range of sucking and biting insects.
Natural P & D Control	Cast Clear	610585669624	500ml	Organic non-pesticide control solution to deter worms from casting.
Natural P & D Control	Cast Clear	608819031088	1000ml	Organic non-pesticide control solution to deter worms from casting.
Natural P & D Control	Copper Slug Tape	5019226001345	4m roll	An effective barrier against snails and slugs.
Natural P & D Control	Copper Slug Tape	5024160855848	5m roll	An effective barrier against snails and slugs.
Natural P & D Control	Fruit Tree Grease	5012042612009	200g	Prevents the wingless moth pests from laying their eggs.
Natural P & D Control	Insect Barrier Glue	5019226000188		For protection of trees. The glue will act as a deterrent to insects.
Natural P & D Control	Plant Guard - Vitax	5012042285067	250ml Concentrate	Spraying removes bugs and fungal spores and forms a residual barrier.
Natural P & D Control	Plant Guard - Vitax	5012042285050	750ml ***RTU	Spraying removes bugs and fungal spores and forms a residual barrier.
Natural P & D Control	Plum Moth Trap	5019226000171	Trap	Pheromone scent of the female moth attracts and catches male moths.
Natural P & D Control	Plum Moth Refill	5012042010461	Refill	Refill for Plum Moth Trap.
Natural P & D Control	Power Up Slug & Snail Killer	5013655214673	650g	Ferric Phosphate based slug killer. Showerproof for 14 days.
Natural P & D Control	Slug Defence Gel - Organic	5013655007602	1L	Barrier to prevent slug and snail damage. Child and pet friendly.
Natural P & D Control	Slug Gone Wool Barrier	5012042140519	5L	Natural and organic recycled wool. Soil Association Approved.

Natural P & D Control	Slug Gone Wool Barrier	5012042140458	10L	Natural and organic recycled wool. Soil Association Approved.
Natural P & D Control	Sluggo Slug & Snail Killer	4005240136546	1kg	Use in the garden against all slugs and snails. Resistant to rain.
Natural P & D Control	Sluggo Slug & Snail Killer	4005240136133	800g	Use in the garden against all slugs and snails. Resistant to rain.
Natural P & D Control	Sluggo Slug & Snail Killer Ultra	4005240136690	650g micro-pellets	Twice the coverage of Sluggo Slug & Snail Killer.
Natural P & D Control	Tree Bands	5012042010409	Pack of 2	Pesticide free.
Pest Control	Scent Off Rabbit Repellent -Vitax	5012042191139	500g	A natural way to prevent rabbit damage.
Pest Control	Yellow Sticky Trap (Whitefly Trap)	5019226000256	Pack of 7	Controls a range of insect pests.
Plant & Soil Additives	Garotta Compost Maker	5000363010208	3.5kg	Accelerates the natural process of composting.
Plant & Soil Additives	Maxicrop Compost Maker	103035041	500ml	Natural seaweed and plant extracts. Approved for use by the Soil Association.
Plant & Soil Additives	Rootgrow Ericoid Mycorrhizal Fungi	5060160320726	200g	Use when planting ericaceous plants. Creates a secondary root system.
Plant & Soil Additives	Rootgrow Mycorrhizal Fungi	8594041564741	360g	An essential fungi for plant establishment.
Plant & Soil Additives	Rootgrow Mycorrhizal Fungi with Dipping gel	5060160320191	360g	An essential fungi for bare root plant establishment.
Plant & Soil Additives	Rootgrow Mycorrhizal Fungi with Dipping gel	5060160320221	1kg	An essential fungi for bare root plant establishment.
Plant & Soil Additives	Rootgrow Professional	5060160320009	2.5L	An essential fungi for plant establishment.
Plant & Soil Additives	Rootgrow Professional	5060160320214	5L	An essential fungi for plant establishment.
Plant & Soil Additives	Rootgrow Professional	13170	10L	An essential fungi for plant establishment.
Soil Improver	Farmyard Manure	5060038680464	50L	Adds rich organic matter, encourages soil fertility.
Soil Improver	Horse Manure	1811030222480	Bulk Bag	Adds rich organic matter, encourages soil fertility.
Soil Improver	Organic Compost	10556	Bulk Bag	Organic green waste compost. Improves soil structure.
Soil Improver	Organic Compost – Richmoor	5015087000442	40L bag	Organic green waste compost. Improves soil structure.

Soils	Provender Enriched Soil	1811030205964	Bulk Bag	An organically enriched top soil for tree & shrub planting
Soils	Top Soil	5060038680518	35L	All round use in the garden including flower borders & vegetable patches.
Soils	Top Soil - Enriched	1811030504784	35L	A high nutrient top soil. Adds organic goodness.
Soils	Top Soil - Nutrient Rich	1811030504777	35L	A high nutrient top soil. Adds organic goodness.
Soils	Top Soil - Planting	1811030214584	Bulk Bag	High quality topsoil screened to 18mm.
Weedkillers	Moss & Algae Killer	4005240136201	1L	Use in the garden as a complete herbicide for moss and algae
Weedkillers	Roundup Natural Weed Control	1811030499554	540ml **Conc	Glyphosate free, 100% natural active ingredient. Rain fast after 3 hours.
Weedkillers	Roundup Natural Weed Control	5010272188585	1L **Conc	Glyphosate free, 100% natural active ingredient. Rain fast after 3 hours.
Weedkillers	Roundup Natural Weed Control	5010272188189	1L ***RTU	Glyphosate free, 100% natural active ingredient. Rain fast after 3 hours.
Weedkillers	Roundup Natural Weed Control	5010272188301	5L ***RTU	Glyphosate free, 100% natural active ingredient. Rain fast after 3 hours.
Weedkillers	Roundup Natural Weed Control	5010272188325	5L Refill	Glyphosate free, 100% natural active ingredient. Rain fast after 3 hours.
Weedkillers	Super Fast Weedkiller	5000371055352	1L	Made from naturally occurring fatty acids active ingredients.
Weedkillers	Weedkiller Glyphosate Free - Neudorff	4005240136164	750ml ***RTU	This weedkiller is a combination of two naturally occurring ingredients.
Weedkillers	Weedkiller Glyphosate Free - Neudorff	4005240136348	510ml **Conc	This weedkiller is a combination of two naturally occurring ingredients.
Weedkillers	Weedkiller Glyphosate Free - Neudorff	4005240136188	1020ml **Conc	This weedkiller is a combination of two naturally occurring ingredients.
Subject to availability *Inorganic - not derived from living material				
** Conc - Concentrated *** RTU - ready To Use
